# MVP

The purpose of the project is to find 5 places suitable for establishing 5 restaurants. The bar graph show that number of entries of each station in millions versus the busiest NYC subway stations and their linenames in May 2021, and it is clear that the suitable stations for the restaurants are the busiest one which are KINGS HWY, 34 ST-PENN STA, 34 ST-HERALD SQ, GRD CNTRL-42 ST and 14 ST-UNION SQ.
